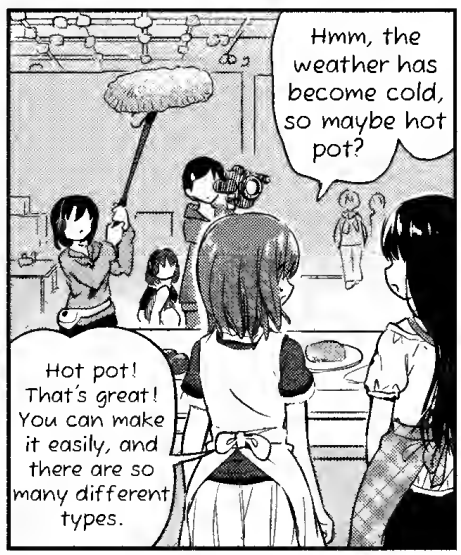
SFX: A theme song.

What shall be the dish of the day?
Hehe, what do you think it will be?
Good day.
Today, we shall be taught by Yoriko-sensei.
Hello, everyone. It's three minute cooking time.
Food Expert 料理研究家 Yoriko より子
Announcer アナウンサー Sayuri 沙柚理

This is a live broad-cast...
Um, how about we begin the cooking?
My favorite is soy milk pot.
What kind of hot pot is your favorite, Sayuri-san?



Hmm, the weather has become cold, so maybe hot pot?
Hot pot! That's great! You can make it easily, and there are so many different types.

『You'll cause an accident!』

Yes.

Sayuri, the avo-cado please.

Let's do dipping sauce next.

Hmm... About the recipe for dipping sauce...
What was it again...

Soy sauce, wasabi, and sesame oil.
How much of each?

One table-spoon...
The soy sauce...

『Though this is fast...』
Umm... Actually, this is a 15 minute program...
We apolo-gize for this!
Even though I chose an easy to make food so that we'd make it in time...
Tak Tak Tak トトトトトトトトト
The assistant is doing everything at this point...
We still have two minutes left...
Really? If we hurry, we should make it in time.
Um...

『This is becoming a different program.』
Has the sauce soaked into the tuna fish?
Yes, pretty well as I have been rubbing it the whole time.

Oh my...
Well, take your clothes off then, Sayuri.
Eh...?
It's true that it was my mistake,
but you can't be saying that I should be punished like that..
Chill
Quickly.
Nyotai-mori is ready.
It's my fault for tarnishing Sensei's reputation ...
